

**Head-quartered in Newry, Northern Ireland, MJM Marine is a world leading Global Marine Outfitter. Our strengths lie in the partnerships we build with our clients and our ability to provide full project management services which include shipyard management, design services, specialist joinery, quality production and seamless installations. Having built a strong reputation for quality craftsmanship and on-time delivery, we were appointed the sole contractor to undertake the \$50m revitalisation of Norwegian Joy.**

# Client Testimonials

Our work across our projects is regularly praised by all our clients.

**“Norwegian Joy is a challenging and complex project large in scale and short in time, requiring meticulous planning and execution by a top tier outfitter. MJM Marine bring scale, experience, skill and ability to think outside the box to pull off a project of this magnitude.”**

**Colin Gant, Former Vice President, Vessel Refurbishment NCL**

**“So pleased to have world class outfitter MJM Marine on the Azamara Pursuit. Why choose MJM Marine? Quality output, professional bespoke skill set, drive, persistence & on time. Just admire Brian, Gary and team!”**

**Larry Pimentel, President, Azamara Club Cruises**

**“I would like to thank you and highlight the very highest quality of service delivered by your teams on two very challenging dry dock on Elation and Conquest. Flawless organization and execution with extreme cooperation are a trademark of MJM! Thanks again to your teams on behalf of very satisfied customers.”**

**Benoit Clement, Vice President, New Builds, Carnival Cruise Line**

**“I just wanted to drop you all a line to say THANK YOU for all your help and assistance with the first shop transition on Ventura from Hardings to Dufry. There were so many people who assisted on this project and I wouldn't have been able to do it without you. Thanks again and roll on Aurora....!!**

**Anna Goddard Carnival**

**“I wanted to write to you to express our sincere thanks for a job well done on the Oceania Insignia Dry-dock. Your team did an incredible job executing our design and worked very hard to make our design come to light in the best way possible. The craftsmanship was top notch and the ship looks completely new and beautiful thanks to your teams hard work and dedication. On behalf of our team thank you again for another successful project.”**
