

Pomme Chair

A sculptural, apple-inspired fauteuil by Brazilian designer Paulo Terra, created exclusively for BULL & STEIN

Bring iconic design and sculptural elegance to your space with the Pomme Chair — a luxurious, apple-shaped seat inspired by Lisa Pappon's oversized apple sculptures and designed by Brazilian designer Paulo Terra exclusively for BULL & STEIN. Handcrafted with precision and imagination, this statement piece fuses fine art with functional furniture — perfect for those who appreciate bold aesthetics and contemporary flair.

Made for indoor or outdoor use, the Pomme Chair's high-gloss finish and ergonomic contouring invite you to relax in style. Whether poolside, in a modern lounge, or showcased in a design-forward gallery, this chair is more than furniture — it's a conversation piece.

Product Highlights
